## **We Listen to Our Community:**

---

We are community responsive. We notice, hear, and address the challenges that people in our area face.

## **Our Values:**

---

*We believe in universal individual value.*

*We believe every individual has capabilities and the capacity to grow.*

*We believe everyone has a distinct and vital role on this earth.*

*We believe authenticity and acceptance of others and oneself generates positive outcomes.*

*We believe no one should be left to feel alone or hopeless.*

## **We are a Social Entrepreneurship:**

---

Social entrepreneurships are businesses that meet identified, real community needs via innovative programs and inventions. Being service focused, organizations like ours cannot flourish without external financial support.

7 Nightingales is proud to be part of the Lowcountry, a community known for generosity, compassion, and people. We thank our sponsors for embodying this spirit by backing our support groups and programs.
